07

SUPPLIER SUBMISSION REQUIREMENTS

- ◆ **Best CIF / FOB price per MT** — quoted separately per form (Fine / Granule / Crystal) & packaging
- ◆ Purity (NaCl%) and moisture content test results
- ◆ Available forms and particle size details
- ◆ Private label / OEM packaging capability
- ◆ Available quantity and lead time
- ◆ Loading port and shipment readiness timeline
- ◆ Export permit and food grade certification
- ◆ COA / lab analysis report — recent batch
- ◆ Company profile with mineral export experience and references

*Kindly share your best **CIF / FOB price per MT** along with available forms, purity details, packaging options, private label capability, and shipment readiness. Further negotiation and deal finalization will be conducted directly between buyer and supplier.*

We look forward to receiving your most competitive quotation.

Only serious and capable suppliers with verifiable export experience are encouraged to respond. Trial order will proceed immediately following successful supplier verification.

Yours sincerely,

Mrs. Dana A. Alden
